15%

Standard item commission

PHP 100 in standard commissionable item sales leaves PHP 85 before product costs, tax, delivery, refunds, promotions and other agreed adjustments. Special rates need individual approval.

A short first step

Share your store name, location, business type and contact details. No password or documents on the first form.

Secure setup, then approval

Use your owner account to submit documents privately. Complete products, opening hours and your pickup pin before going live.

Understand the money

Confirm deductions, delivery arrangements, refund rules, promotion funding and the payout schedule in writing before activation.
